Saturday Dinner

Jim Crash Kennedy

Admin Group expert · 5d · 🗨️

Folks might be wondering what we are having for the Saturday evening Feed (besides all those yummy desserts!). We are being catered by Ronnie's BBQ, just 12 miles away in Johnson City. It's just a drop-off to save us money, so we'll be needing volunteer servers. The menu included BBQ pork loin, BBQ turkey, mac & cheese, potato salad, green beans, and all the fixin's (pickles, onions, jalapenos, BBQ sauce, & bread). Don't forget to bring your own non-disposable plates, bowls, cups, and utensils so we are not creating more waste. (And take them back home and wash them, also!)
